Re: SB 440 - Highway User Revenue Distribution - Support

Dear Senator Kasemeyer:

SB 440 increases the percentage of revenue credited to the Gasoline and Motor Vehicle Revenue Account to be used to increase Highway User Revenues. Increasing the revenue in stages to reach 25% by FY 2016 will ensure that additional funds can be used to pay for roads, greatly assisting the needs of local jurisdictions.

For these reasons, the Carroll County Chamber of Commerce asks that your committee give this bill a favorable report.

Sincerely,
