

**To:** Current Chamber Members with Energy contracts ending September 2018

**Subject:** 2017 Fall Campaign - Chamber Energy Purchasing Cooperative Program

We would like to thank you for your continued support for the Energy Purchasing Cooperative Program. The strategic partnership between the Chamber and CQI Associates has resulted in lower energy costs and long-term budget stability for members since the program's inception in 2004.

**We are ready to commence the fall campaign for members with contract renewal dates through September 2018. Your new contract will begin at the end of your current contract.**

**Key factor for the lower market rates into 2018:** Due to the mild winter of 2016, rates are at near record low numbers and optimal for Fall renewal contracts.

CQI Associates is hosting webinars to familiarize and update members about the program on the following days/times.
