Re: HB 0609 – Carroll County – Public Facilities Bonds - **Support**

Dear Delegate McIntosh:

House Bill 0609 authorizing and empowering the County Commissioners of Carroll County, from time to time, to borrow not more than \$32,700,000 in order to finance the construction, improvement, or development of specified public facilities in Carroll County, and to effect such borrowing by the issuance and sale at public or private sale general obligation bonds; etc.

The Carroll County Chamber of Commerce, a business advocacy group with around 600 members, supports this bill as it provides our commissioners the finance means to support the best needs our community and county.

Sincerely,
