Re: SB 0293 – Common Sense Spending Act of 2018 - Support

Dear Senator Kasemeyer:

Senate Bill 0293 providing that, beginning in fiscal year 2020, any appropriation that increases by operation of law is required to have its mandated level of spending increased by the lesser of the amount of the existing formula calculation or 1% less than the amount of General Fund revenue growth in a certain report submitted by the Board of Revenue Estimates; providing that the General Assembly may not enact certain legislation that creates mandated level of funding except under certain circumstances; etc.

The Carroll County Chamber of Commerce, a business advocacy group with around 600 members, supports this bill.

The Carroll County Chamber of Commerce requests that you give this bill a favorable report.

Sincerely,

A handwritten signature in black ink that reads 'Mike McMullin'.
