RE: HB 1358 – Income Tax Credit – Employers – Eligible Internships – **Support**

Dear Delegate Kaiser:

We believe that all reasonable efforts to provide incentives to businesses to provide educational opportunities to students, whether in the form of internships or apprenticeships should be encouraged. Developing a strong workforce is essential to the health of the state.

The Carroll County Chamber of Commerce, a business advocacy organization of over 600 members, supports this bill and therefore requests that you give it a favorable report.

Sincerely,

A handwritten signature in black ink that reads 'Mike McMullin'.
