RE: SB 0089 – Small Business Relief Tax Credit – Expansion – Support

Dear Senator King:

Senate Bill 0089 would provide an additional measure of tax relief for small businesses by expanding the eligibility of employees for which the small business would be able to receive the tax credit for and expanding the program in other ways beneficial to small businesses.

The Carroll County Chamber of Commerce, a business advocacy organization of over 600 members, supports this bill as supportive of small businesses, which have the highest number of employees in the state.

The Carroll County Chamber of Commerce requests that your committee give this bill a favorable report.

Sincerely,

A handwritten signature in black ink that reads 'Mike McMullin'.

President
Carroll County Chamber of Commerce
