RE: **HB 0072** - Business Regulation - Charitable Contribution – Definition - **Oppose**

Dear Delegate Wilson:

HB 0072 would alter the definition of "charitable contribution" to exclude donations of property intended for benevolent purposes.

Non-profits are already struggling to keep up with the demands of the community during these challenging times, and this bill could reduce charitable donations even further. Charitable organizations play a critical role in our communities, and we must ensure that they have the resources they need to carry out their missions effectively.

We urge you to vote against HB 0072 and support policies that encourage and support charitable giving.

The Carroll County Chamber of Commerce, a business advocacy organization of nearly 700 members, opposes this bill and therefore requests that you give it an unfavorable report.

Sincerely,

A handwritten signature in black ink that reads 'Mike McMullin'.

Carroll County Chamber of Commerce
